

Coronavirus (COVID-19) Frequently Asked Questions

To minimize the spread of coronavirus (COVID-19) and continue business operations, our BWC staff is now teleworking. While we may be operating from a different physical location, we do not currently anticipate major issues with continuing to provide our employers, injured workers, and the many others we serve, with service. Phone numbers and email addresses for our customer service representatives remain the same.

We are monitoring the situation closely and will provide updates as necessary. We know you may have questions that we are just not able to immediately answer. We promise to keep you updated and share information as we have it. In the meantime, thank you for your patience as we all work through COVID-19 together.

For the latest information on coronavirus (COVID-19) visit coronavirus.ohio.gov. For questions about COVID-19's effect on BWC, you can email BWCCOVID19@bwc.state.oh.us.

Frequently Asked Questions

Claims and Policy Processing

Q 1: What is BWC doing to help employers during this unprecedented time?

A: Ohio Governor Mike DeWine has asked the BWC board to send up to \$1.6 billion to Ohio employers this spring to ease the economic impact of the coronavirus (COVID-19) on Ohio's economy and business community. This dividend equals approximately 100% of the premiums employers paid in policy year 2018. BWC will apply the dividend to an employer's outstanding balances first, including the recent installment deferrals. Any amounts exceeding outstanding balances will be sent to the employer. For those employers, it means one less bill to worry about. As in previous years, the dividend is possible due to strong investment returns on employer premiums, a declining number of claims each year, and prudent fiscal management. It's also due to employers who work hard to improve workplace safety and reduce injury claims. Even with the downturn in the market, BWC is able to provide this important dividend to employers while maintaining funds to take care of injured workers for years to come.

Employers: For frequently asked questions about the dividend, [visit this link](#).

Q 2: Will BWC allow employers to delay installment payments due to COVID-19's hardship?

A: Unpaid insurance premium installment amounts due for March, April, and May for the current policy year can be deferred until June 1, 2020, at which time the matter will be reconsidered. This is for private and public employers. The deferral is automatic--no application is necessary. Employers that wish to submit payments for March, April, and May are free to do so. BWC will not lapse (cancel) coverage or assess penalties for amounts not paid because of the coronavirus (COVID-19) pandemic. Installment payments due for the three-month period total approximately \$200 million.

Q 3: How does BWC's deferral of premium installment payments apply to state fund employers that are Professional Employer Organizations (PEOs)?

A: PEO employers are required to report actual payroll and pay premiums on a monthly basis, but as state fund employers operating under the COVID-19 climate, they may defer reporting and payments for March and April until June 1st, 2020. As for the May payroll report and premium payment, it will be due as normally scheduled, on or before June 15, 2020. The deferral is automatic, there is no "opt in" requirement to take advantage of this option. Please note this scenario may change as the matter will be reconsidered for direction after June 1, 2020.

Q 4: How does this impact state fund clients of PEO employers?

A: A client of a PEO employer must maintain active workers' compensation coverage throughout the duration of any type of PEO agreement. Client employers will be treated the same as all other state fund employers and will have the option to defer payments until June without a lapse in coverage.

Q 5: If I contract COVID-19, is it a compensable workers' compensation claim?

A: It depends on how you contract it and the nature of your occupation. Generally, communicable diseases like COVID-19 are not workers' compensation claims because people are exposed in a variety of ways, and few jobs have a hazard or risk of getting the diseases in a greater degree or a different manner than the general public. However, if you work in a job that poses a special hazard or risk and contract COVID-19 from the work exposure, BWC could allow your claim.

Q 6: If I am quarantined due to COVID-19 can I receive workers' compensation wage replacement benefits?

A: BWC can only pay compensation in an allowed claim for disability resulting from the allowed conditions. An executive order issued by Governor DeWine however, expands flexibility for Ohioans to receive unemployment benefits during Ohio's emergency declaration period. For more information on unemployment benefits go to: the [Ohio Department of Job and Family Services](#).

Q 7: Are you making determinations on new claims?

A: Yes. Our staff will be teleworking and have access to our systems.

Q 8: How will my benefits be extended when my doctor's office is closed, and they haven't completed my Medco-14?

A: To minimize the chance of interruption of benefits for injured workers currently receiving temporary total compensation, staff have been instructed to continue payments to April 30, 2020.

Q 9: Will my benefits be extended if I am participating in a rehab program?

A: To minimize the chance of interruption of benefits for injured workers currently receiving living maintenance compensation, payment plans will continue to April 30, 2020.

Q 10: Will my wage loss benefits be discontinued if I'm unable to complete the job searches?

A: Job searches will be suspended until April 30, 2020 and all forms of wage loss payments (working wage loss/non-working wage loss, living maintenance wage loss) will be continued.

Q 11: I have an Independent Medical Exam (IME) scheduled and it has been cancelled, will my benefits be suspended?

A: No, your benefits will not be suspended. If you need to cancel the exam there will be no penalty for doing so. In the future, you will be notified of a rescheduled date.

Q 12: How will BWC be handling 90-day and extent of disability IMEs?

A: Currently, BWC is suspending all IMEs but we are exploring alternative means of obtaining medical evidence including "virtual" examinations. Claims staff will be setting up follow-up reminders.

Q 13: Will I be able to speak with my claim representative?

A: If you are represented by an attorney, call your attorney first. Staff will be monitoring voice mail on a limited basis, but the most efficient method of communication will be via email messaging. The email address for your claims service specialist (CSS) can be found on the bottom of any correspondence you have previously received or look up your claim [here](#). For general questions, you may also call our call center at 1-800-OHIOBWC.

Q 14: What happens if my claim is denied or my employer does not agree with my claim?

A: The normal appeal process remains in place – parties to the claim will continue to have 14 days to appeal. The Ohio Industrial Commission (IC) will continue to have hearings. For the latest information visit the IC website at www.ic.ohio.gov.

Q 15: Will my Ohio Industrial Commission hearing be cancelled?

A: Please feel free to visit the IC website at www.ic.ohio.gov to view updated information and press releases.

Q 16: Will I be able to pick up a check for a compensation payment in a local service office?

A: After March 18, 2020, you will no longer be able to pick up your check from a local service office. We will address requests for overnight delivery on a case by case basis.

Q 17: How will BWC handle additional allowance and Temporary Total (TT) entitlement requests that would ordinarily require an IME?

A: BWC will continue processing additional allowance and TT entitlement requests and seek physician file reviews instead of IMEs when possible. BWC is also exploring alternative means of obtaining medical evidence including "virtual" examinations.

Q 18: How is BWC addressing C-92 applications?

A: Except for an increase to a percent of permanent disability (%PP) award these requests must be sent for an IME. While IMEs are temporarily suspended, BWC is exploring alternative means of obtaining medical evidence including "virtual" examinations.

Q 19: Will BWC be extending program reporting/requirement completion deadlines?

A: BWC is waiving all safety education and training requirements for this policy year (July 1, 2019 - June 30, 2020 for private employers) for participants in the following programs:

- Drug Free Safety Program.
- EM Cap Program.
- Grow Ohio.
- Industry Specific Safety Program.
- One Claim Program.
- Policy Activity Rebate Program.

Calendar year 2020 public employer program participant requirements will be reviewed in June.

Discounts offered through these programs will be applied automatically.

Additionally, the annual report deadline submission for Drug Free Safety Program participants has been extended to June 1, 2020. More on these programs can be found at bwc.ohio.gov.

Q 20: Will BWC be suspending audits of self-insuring (SI) and state fund (SF) employers?

A: Yes, BWC has suspended face-to-face audits for both SI and SF employers. Paper and virtual audits will continue. We will be issuing temporary certificates to SI employers.

Q 21: What are employers supposed to do about the classes that were cancelled? What about the ½ day classroom training?

A: Employers are encouraged to take advantage of online classes for program requirements while we continue to assess other training options.

Q 22: Will BWC extend the public employer taxing district (PEC) true-up grace period that ended March 16?

A: BWC is reviewing policy and legal requirements pertaining to this issue.

Q 23: Is emergency sick leave and expanded FMLA paid to employees under the Families First Coronavirus Response Act reportable when submitting true-up payroll?

A: No. Emergency sick leave and expanded FMLA paid to employees under the Families First Coronavirus Response Act are not reportable to BWC for premium purposes. While regular paid sick leave (including third-party sick pay) is reportable to BWC, emergency sick leave and expanded FMLA paid under this act are not reportable.

Effective April 1, 2020, through Dec. 31, 2020, wages companies pay under the act for sick leave related to COVID-19 are not reportable to BWC. Also, leave time to care for a child whose school or childcare provider is closed or unavailable for COVID-19-related reasons is not reportable to BWC. Employers must follow the federal government's eligibility and documentation guidelines to exclude these wages from their reportable payroll and premium calculation at true-up. Wages reported to BWC for premium calculation purposes are subject to verification by a premium audit.

Q 24: How will employers report wages at true-up for operational employees who are teleworking as a result of Governor Mike DeWine's "stay at home" order while receiving wages from the employer?

A: To ease the economic impact of the COVID-19 crisis on businesses, employers may report operational staff currently teleworking to class code **8871 – Clerical Telecommuter** during a declared state of emergency.

- The employer must contact BWC to request the addition of classification code 8871 – Clerical Telecommuter to their policy. This will allow the employer to report wages to class code 8871 during the true-up period.
- The employer is responsible for recording, tracking, and documenting the wages associated with the operational employees now teleworking for premium audit purposes.
- If a worker continues to perform the same duties from home while teleworking, the employer will continue reporting that worker's wages to the appropriate operational classification code, not to class code 8871.
 - For example: the employer manufactures surgical masks. The employer has sent workers home with the equipment and materials to continue making masks. These workers are not 8871 Clerical Telecommuter employees. They would remain under classification **2501 – Cloth, canvas and related products manufacturing**. The exposures for them do not change.
- This temporary revision to the class code assignment rule only applies during the time of Governor DeWine's "stay at home" order, which he initiated March 15, 2020.
- The employer is to cease reporting operational employees' wages to class code 8871 once the "stay at home" order has ended or if the operational employee(s) return to performing their previous job duties.

To request the addition of class code 8871- Clerical Telecommuter to your policy, please call 1-800-644-6292 or send an email to RTSclass@ohiobwc.com. Remember to include your policy number in your email request.

Medical Providers

Q 25: Has BWC modified its delivery of care for injured workers through telemedicine and telephone services?

A: Yes. BWC released three policy alerts to date to address the expanded use of telemedicine and telephone services.

- Policy alert [2020-01](#) announces a more flexible use of telemedicine and expands the site of care delivery to the injured worker's home, as well as relaxing the requirements for using a secure platform of communication. It also reduces some administrative burden to notify or request additional authorization from the managed care organization (MCO) to change the care-delivery method.
- Policy alert [2020-02](#) permits telephonic communication as a temporary substitute for some vocational rehabilitation services.
- Policy alert [2020-03](#) expands the service providers eligible to provide and bill for virtual check in and/OR telephone services (audio only).

BWC has developed a frequently asked questions document specifically for medical providers to address COVID-19 issues. To download, click [here](#).
